Summary

If your internet browser seems slower than usual, you may want to clear your browser history and cookies. The instructions below are for Edge.

Click the ellipsis and select Settings

The ellipsis will be in the top right corner. Then scroll to select Settings

Select Privacy, search, and services

In the left-hand column, select Privacy, search, and services.

Click Choose what to clear

Under Clear browsing data, click the Choose what to clear button

Clear browsing data

Click Clear Now

This includes history, passwords, cookies, and more. Only data from this profile will be deleted. Manage your data

Clear browsing data now Choose what to clear every time you close the browser
