Multi-Factor Authentication (MFA) Summary

Single-Factor authentication (username/password) is not sufficiently secure when handling sensitive Personal Health Information or Personally Identifiable Information. Multi-Factor authentication is required to properly secure access to sensitive information.

What is MFA?

Multi-Factor authentication (MFA) is an authentication method that requires users to verify identity using multiple independent methods. Instead of just asking for a username and password, MFA implements additional credentials like a pin sent via email or text, or a verification call made to a pre-registered phone number.

How Multi-Factor Authentication Works

The goal of MFA is to provide a multi-layered defense system. This helps ensure that the users who access your system are who they say they are. Even if one factor is compromised, there are still more barriers to breach.

For example, to log in to a secure program, a user would need to type a password and enter another number from a text, phone call or email. Only the correct password combined with the correct number from the additional authentication factor would give a user access.

Customer/Provider Login

Customer and provider users are any users who do not have a Kepro account or kepro.com email address. These users should use the login button under the **Customer/Provider** heading on the right-hand side of the login page.

After entering the Atrezzo Provider Portal URL (<https://portal.kepro.com/>), the login page will display.

A screenshot of the Kepro login page. At the top is the Kepro logo. Below it is a section titled "LOGIN OPTIONS" in bold. There are two main columns. The left column is titled "Kepro Employees" and contains the text "Use this login button if you have a Kepro domain account." followed by a blue "LOGIN" button and a checkbox labeled "Remember Me". The right column is titled "Customer/Provider" and contains the text "Use this login button if you are a customer or provider user." followed by two blue buttons: "LOGIN WITH PHONE" and "LOGIN WITH EMAIL", with a "Remember Me" checkbox below them. At the bottom of the page, there are three lines of text: "If you don't already have a Kepro account, you can [register here](#).", "If this is your first login with multi-factor authentication, [click here](#) to complete your registration.", and "Having trouble logging in? [Click here](#)."

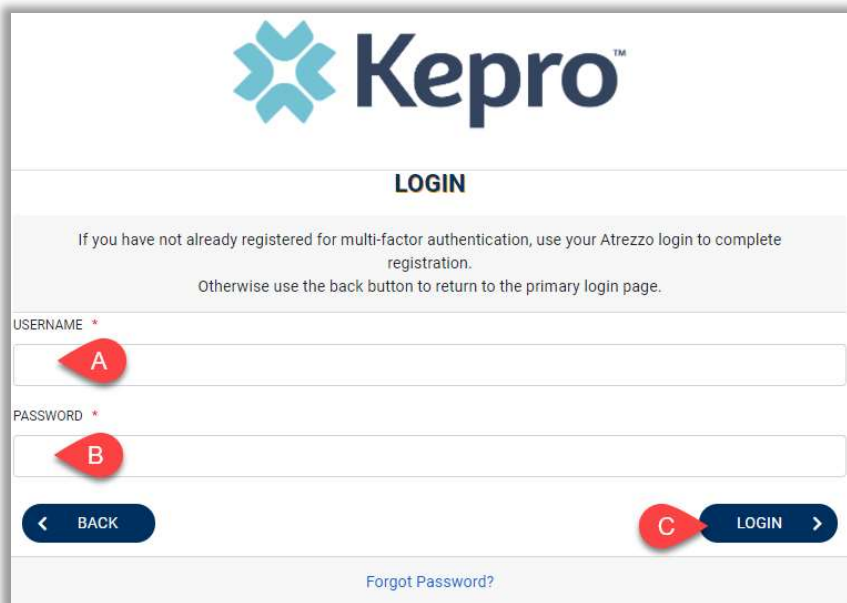

Current Portal User; MFA Registration only

As a current portal user, you will only need to complete MFA registration for the new portal. You will utilize your existing Atrezzo username and password. The below instructions will guide you through completing Multi-Factor Authentication (MFA) Registration.

From the login screen, click the link to complete the multi-factor authentication registration at your first login. This will be a one-time registration process.

A screenshot of the Kepro login portal. At the top is the Kepro logo. Below it is a section titled "LOGIN OPTIONS" in bold. This section is divided into two columns. The left column is for "Kepro Employees" and contains a "LOGIN" button and a "Remember Me" checkbox. The right column is for "Customer/Provider" and contains "LOGIN WITH PHONE" and "LOGIN WITH EMAIL" buttons, along with a "Remember Me" checkbox. Below the login options, there is a line of text: "If you don't already have a Kepro account, you can [register here](#)." Below that, a red rectangular box highlights the text: "If this is your first login with multi-factor authentication, [click here](#) to complete your registration." A red arrow points from the "click here" link in the red box to the "click here" link in the line above it. At the bottom of the login area, there is a link: "Having trouble logging in? [Click here](#)."

To begin the registration process, enter your Atrezzo username and password and click **Login**.

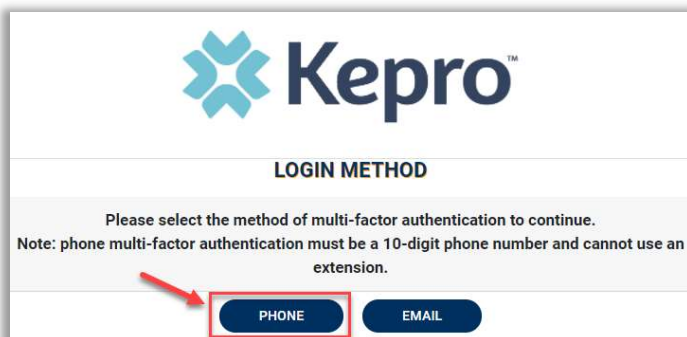

The screenshot shows the Kepro LOGIN page. At the top is the Kepro logo. Below it is the heading "LOGIN". A message states: "If you have not already registered for multi-factor authentication, use your Atrezzo login to complete registration. Otherwise use the back button to return to the primary login page." There are two input fields: "USERNAME *" with a red callout 'A' pointing to the field, and "PASSWORD *" with a red callout 'B' pointing to the field. At the bottom, there is a "BACK" button with a left arrow and a "LOGIN" button with a right arrow, with a red callout 'C' pointing to the "LOGIN" button. A link "Forgot Password?" is located below the buttons.

Select the best multi-factor authentication method for you, phone verification or email verification. A phone registration will require a direct line with 10-digits; extensions are not supported.

NOTE: When choosing an authentication method, you will be required to enter an email address for both options. Only choose the Email option if you do not have access to a direct phone line (landline or mobile).

Phone Verification

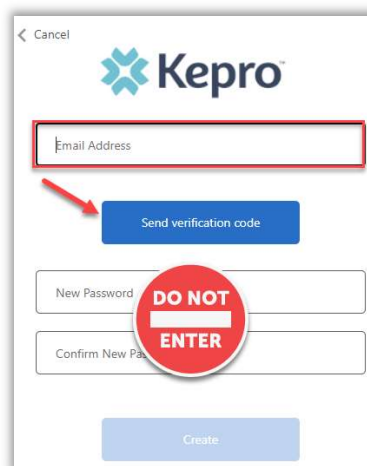

Click the **PHONE** button

The screenshot shows the 'LOGIN METHOD' screen of the Kepro application. At the top is the Kepro logo. Below it, the text 'Please select the method of multi-factor authentication to continue.' is displayed, followed by a note: 'Note: phone multi-factor authentication must be a 10-digit phone number and cannot use an extension.' At the bottom, there are two buttons: 'PHONE' and 'EMAIL'. A red arrow points to the 'PHONE' button, which is also highlighted with a red rectangular box.

Enter your work email address,
then click **Send Verification Code**.
A code will be sent to your email.

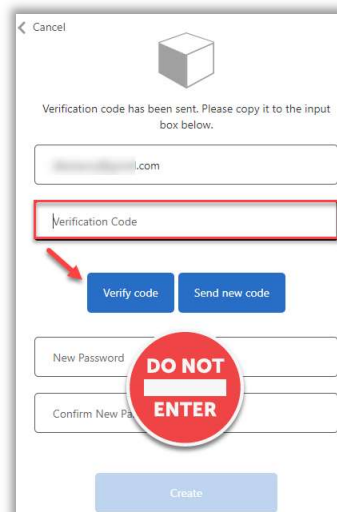

**IMPORTANT: Do NOT enter
anything in the Password section
(this is not needed at this step).**

The screenshot shows the first step of the registration process. It features the Kepro logo at the top. Below the logo is a text input field labeled 'Email Address'. A red arrow points to the 'Send verification code' button, which is located below the email field. Below this button are two more input fields: 'New Password' and 'Confirm New Password'. A large red circular overlay with the text 'DO NOT ENTER' is positioned over these password fields. At the bottom of the screen is a 'Create' button.

Enter the verification code sent to
the email address entered; then
click **Verify Code**.

**IMPORTANT: Do NOT enter
anything in the Password section
(this is not needed at this step).**

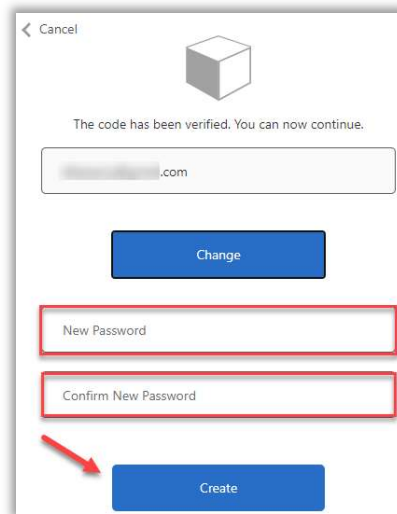

The screenshot shows the second step of the registration process. It features a message at the top: 'Verification code has been sent. Please copy it to the input box below.' Below this message is a text input field containing a placeholder email address. A red arrow points to the 'Verification Code' input field, which is highlighted with a red rectangular box. Below this field are two buttons: 'Verify code' and 'Send new code'. Below these buttons are the same 'New Password' and 'Confirm New Password' input fields as in the previous screen. A large red circular overlay with the text 'DO NOT ENTER' is positioned over these password fields. At the bottom of the screen is a 'Create' button.

After email verification is complete, enter a new password, confirm the password, and click **Create**.

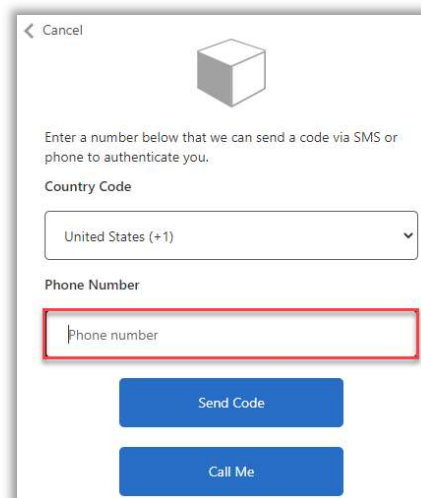

This is creating a password for the Multi-Factor Authentication Registration.

Enter your phone number and select **Send Code** or **Call Me**.

NOTE: When phone call is selected, the user will receive a phone call on the registered phone number and will be prompted to press the # key to complete authentication.

The screenshot shows a mobile app interface for password creation. At the top, there is a back arrow and the word "Cancel". Below this is a 3D cube icon and the text "The code has been verified. You can now continue." A text input field contains a partially obscured email address ending in ".com". Below the input field is a blue button labeled "Change". Further down are two text input fields: "New Password" and "Confirm New Password", both outlined in red. At the bottom is a blue button labeled "Create", which is also pointed to by a red arrow.

The screenshot shows a mobile app interface for entering a phone number. At the top, there is a back arrow and the word "Cancel". Below this is a 3D cube icon and the text "Enter a number below that we can send a code via SMS or phone to authenticate you." Under the heading "Country Code", there is a dropdown menu currently showing "United States (+1)". Below this, under the heading "Phone Number", is a text input field outlined in red with the placeholder text "Phone number". At the bottom are two blue buttons: "Send Code" and "Call Me".

For SMS text authentication, enter the verification code received. The page will automatically refresh.

Login With Phone

Use these instructions if you have already registered MFA with a direct phone number and want to login via SMS text or voice call.

From the login page, click **LOGIN WITH PHONE**

The screenshot shows the Kepro login page. At the top is the Kepro logo. Below it is the heading "LOGIN OPTIONS". There are two main sections: "Kepro" and "Customer/Provider". The "Kepro" section has a "LOGIN" button. The "Customer/Provider" section has two buttons: "LOGIN WITH PHONE" and "LOGIN WITH EMAIL". The "LOGIN WITH PHONE" button is highlighted with a red box, and a red arrow points to it. Below the login options, there is a link to "register here" and a link to "complete your registration". At the bottom, there is a link to "Click here" for "Having trouble logging in?".

Enter the email address and password created during the registration process. Click **Sign in**

The screenshot shows the Kepro sign-in page. At the top is the Kepro logo. Below it is the heading "Sign in with your email address". There are two input fields: one for the email address (with a placeholder ".com") and one for the password (with a placeholder "*****"). Below the password field is a link "Forgot your password?". At the bottom is a "Sign in" button, which is highlighted with a red box and a red arrow points to it.

Confirm the phone number on file to receive a verification code. Select **Send Code** for an SMS text verification code or **Call Me** for a voice call to complete verification.

If Send Code option is selected, enter code received via text and click **Verify Code**.

The system will automatically login and the home page will display.

Login With Email

Use these instructions if you have already registered MFA and want to login using your email address. Use this option only if you do not have access to a direct phone line.

From the login page, click
LOGIN WITH EMAIL

The screenshot shows the Kepro login page. At the top is the Kepro logo. Below it is the heading "LOGIN OPTIONS". There are two main sections: "Kepro" and "Customer/Provider". The "Kepro" section has a "LOGIN" button. The "Customer/Provider" section has two buttons: "LOGIN WITH PHONE" and "LOGIN WITH EMAIL". The "LOGIN WITH EMAIL" button is highlighted with a red box, and a red arrow points to it. Below the buttons, there is a link to "register here" and a link to "complete your registration". At the bottom, there is a link for "Having trouble logging in?".

Enter the email address and
password created during the
registration process. Click
Sign in

The screenshot shows the Kepro sign-in page. At the top is the Kepro logo. Below it is the heading "Sign in with your email address". There are two input fields: one for the email address (with ".com" visible) and one for the password (with "*****" visible). Below the password field is a link for "Forgot your password?". At the bottom is a "Sign in" button, which is highlighted with a red box and a red arrow points to it.

The email address will prepopulate from the sign in, click **Send Verification Code**.

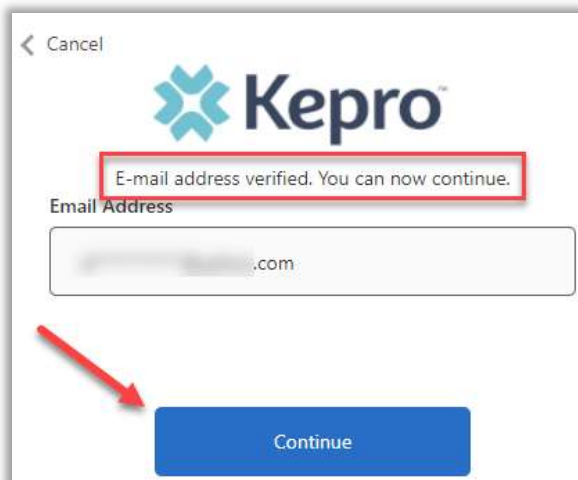

NOTE: The verification code will expire within 30 seconds for proper login, make sure you have access to the email address at the time you are selecting Send Verification Code to avoid having to repeat the process.

Enter verification code sent to the email address, then click **Verify Code**.

This screenshot shows the 'Send Verification Code' screen in the Kepro app. At the top left is a back arrow and the word 'Cancel'. The Kepro logo is centered at the top. Below it, a message states: 'Verification is necessary. Please click Send button.' Underneath is the label 'Email Address' followed by a text input field containing a partially obscured email address ending in '.com'. A red arrow points to a blue button labeled 'Send verification code'. At the bottom is a light blue button labeled 'Continue'.This screenshot shows the 'Verify Code' screen in the Kepro app. At the top left is a back arrow and the word 'Cancel'. Below that is the label 'Verification code' followed by a text input field containing the placeholder text 'Verification code'. A red arrow points to a blue button labeled 'Verify code'. To its right is another blue button labeled 'Send new code'. At the bottom is a light blue button labeled 'Continue'.

A message will appear confirming verification, click **Continue**.

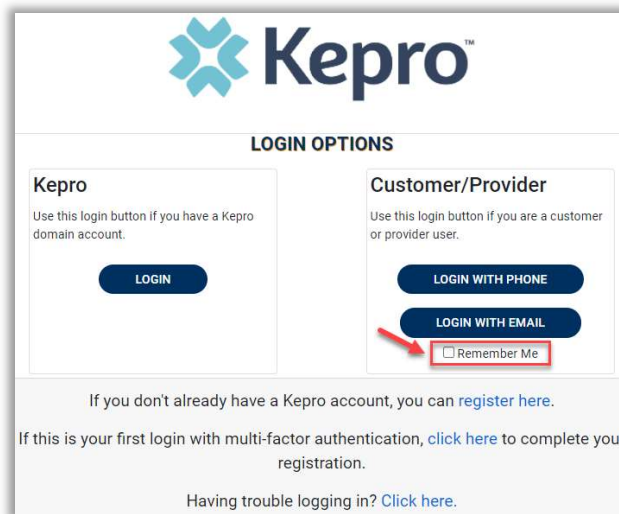

The system will automatically login and the home page will display.

Remember Me Functionality

Use these instructions to enable your computer to remember your login credentials for four (4) hours. You should NOT use this option if you use a shared device. When the Remember Me button is checked on the login screen, external users will be able to login without entering Atrezzo credentials or MFA for four (4) hours.

To use this feature, check **Remember Me** box then click **Login with Phone** or **Login with Email**.

The screenshot shows the Kepro login interface. At the top is the Kepro logo. Below it is a section titled "LOGIN OPTIONS". There are two main columns. The left column is for "Kepro" domain accounts, with a "LOGIN" button. The right column is for "Customer/Provider" users, with "LOGIN WITH PHONE" and "LOGIN WITH EMAIL" buttons. Below these buttons is a "Remember Me" checkbox, which is highlighted with a red box and a red arrow. At the bottom of the login options section, there are three links: "If you don't already have a Kepro account, you can [register here](#).", "If this is your first login with multi-factor authentication, [click here](#) to complete your registration.", and "Having trouble logging in? [Click here](#)."

For the next four (4) hours, when accessing Atrezzo, you will click Login with Phone or Login with Email and bypass the login credentials and MFA steps. After four (4) hours, you will need to login with your credentials and MFA when prompted. You must use the same login option (Login with Phone or Login with Email) for the Remember Me functionality to remember the credentials. If you select a different login option, you will be required to enter MFA credentials.

To turn off this feature, uncheck the Remember Me box, before clicking Login with Phone or Login with Email, and you will be prompted to enter login credentials and MFA at the next sign-on.

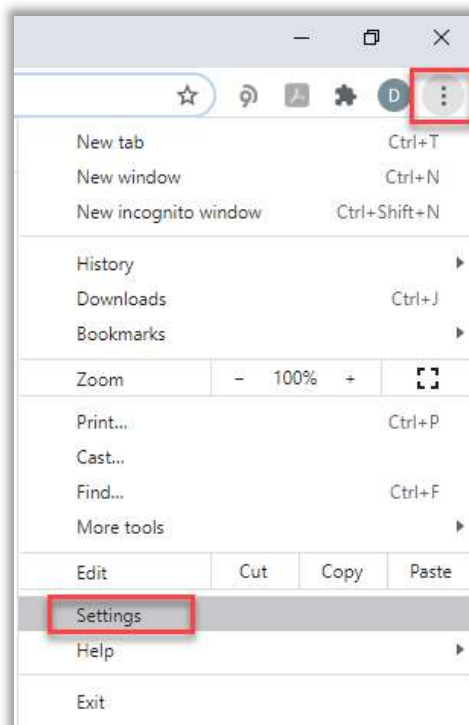

NOTE: This feature will only work if the browser is configured to "continue where you left off" by reopening tabs on startup. The Remember Me functionality will work as long as the browser remains open, but if the browser is closed, the Remember Me functionality will not work without following the below instructions to configure the system to continue where you left off when last logged in.

Chrome Configuration

Google Chrome is the preferred browser for Atrezzo.

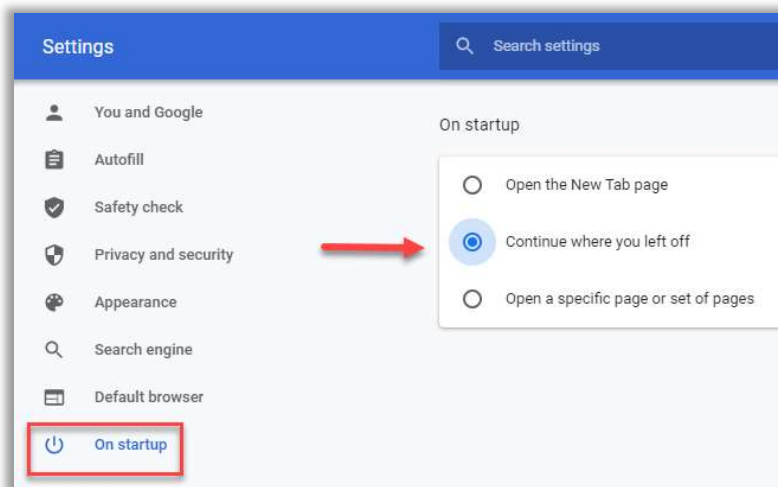

To set “continue where you left off” in Google Chrome, click the **three (3) menu dots** in the upper right corner of the browser.

Then click **Settings**.

Click **On startup** in the left menu

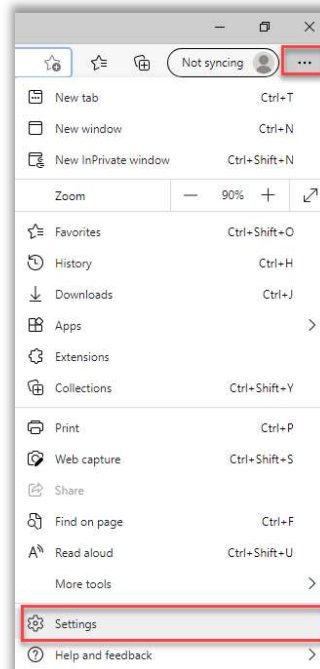

Then click the selection for **“Continue where you left off”**.

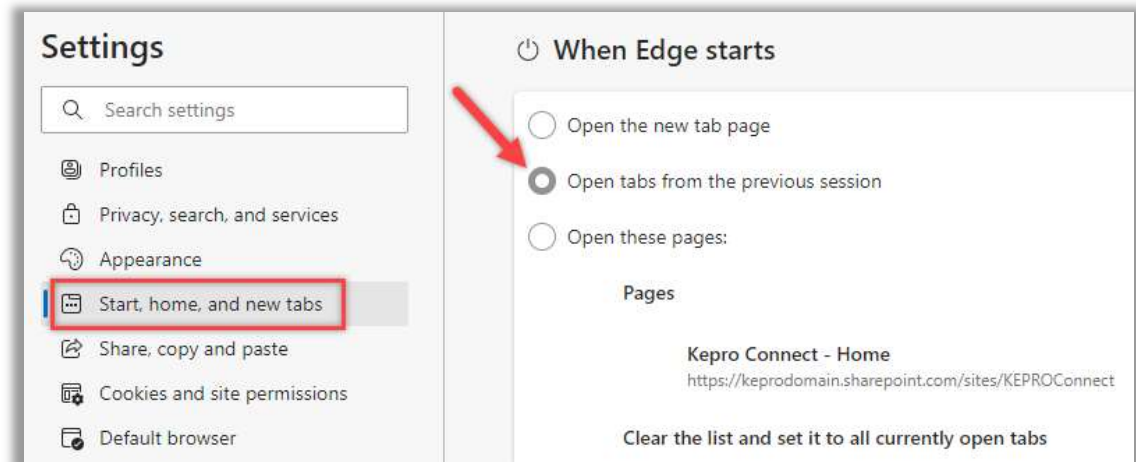

Edge Configuration

To set “continue where you left off” feature in Microsoft Edge.

Click the three (3)
menu dots in the
upper right corner of
the browser
Then click **Settings**.

Click **Start, home, and new tabs** in the left menu. Then click the selection for “Open tabs from the previous session”.

Registration Error Message

If a registration error message is received when attempting to Register, click **Reset**

The screenshot shows the 'REGISTRATION ERROR' page. At the top is the Kepro logo. Below it, a red error message states: 'Your multi-factor authentication attempt failed to complete.' Two bullet points provide instructions: one for login/password recovery (click Login) and one for registration (click Reset, enter username, and check email). At the bottom, there are two buttons: 'LOGIN' and 'RESET'. A red arrow points to the 'RESET' button, which is also highlighted with a red box.

Enter username and click **Submit**.

An email will be sent to the registered email address to complete the registration process.

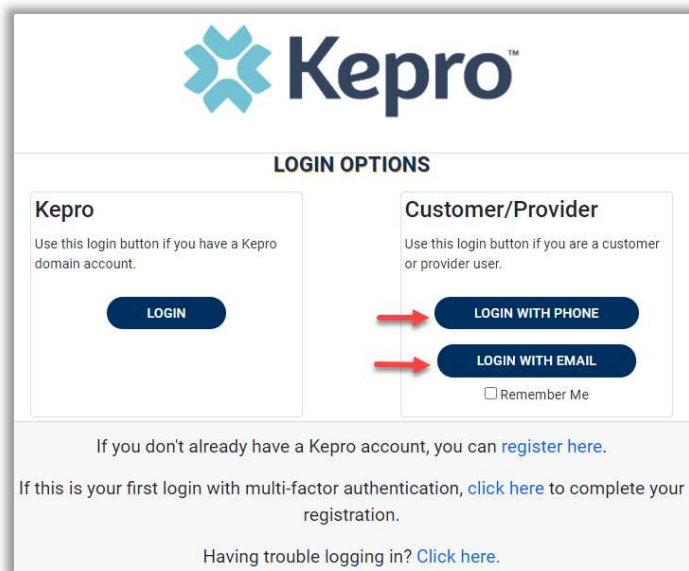

The screenshot shows the 'LOGIN' page. It features the Kepro logo and a heading 'LOGIN'. Below the heading, a text prompt says: 'Enter username to send a new link to the registered email to complete multi-factor authentication registration.' There is a text input field labeled 'USERNAME *'. At the bottom, there are two buttons: 'BACK' and 'SUBMIT'. A red arrow points to the 'SUBMIT' button, which is highlighted with a red box.

Click the link in the email, this will complete the registration process.

The screenshot shows an email titled 'Atrezzo - Account Registration Reset' from 'atrezzo_donotreply@kepro.com'. The body of the email says: 'Dear User, Your Atrezzo registration has been reset. Please follow the link below and the instructions on that page to re-register your account.' Below this text is a blue link labeled 'Atrezzo Registration', which is highlighted with a red box. A red arrow points to this link. Below the link, it says 'This link will expire in 20 minutes.' The email ends with 'Thank you, Kepro'.

Forgot or Reset Password

Select your usual login method **Login with Phone** or **Login with Email** under the Customer/Provider section on the right-hand side of the login page.

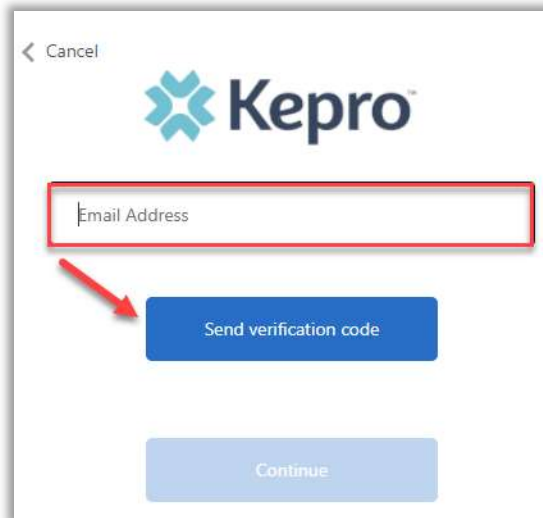

The screenshot shows the Kepro login page. At the top is the Kepro logo. Below it is a section titled "LOGIN OPTIONS". There are two main columns. Below this button is a light blue button labeled 'Continue'.

Enter the 6-digit code received
via email and click the **Verify**
code button.

This screenshot shows the 'Verify code' screen in the Kepro mobile app. At the top left is a back arrow and the word 'Cancel'. The Kepro logo is at the top center. Below it is a message: 'Verification code has been sent. Please copy it to the input box below.' Below this message is a text input field containing a masked email address followed by '.com'. Below this is another text input field labeled 'Verification Code' with a red rectangular highlight around it. A red arrow points from the bottom of this field to a blue button labeled 'Verify code'. To the right of the 'Verify code' button is another blue button labeled 'Send new code'. Below these two buttons is a light blue button labeled 'Continue'.

Click **Continue**

Phone users will be prompted to select **Send Code** for an SMS text or **Call Me** for voice verification. If Call Me is selected, you will be prompted to press # on the keypad for verification. If Send Code is selected, you will receive a 6-digit code via SMS text.

NOTE: *This step will only appear for users who registered a phone number during MFA Registration. Email only users, will not be prompted for a phone number and will be prompted to change their password after email verification is complete.*

Once verification is complete, enter a new password and confirm the password. Click **Continue**.

The home page will display once the reset password process is completed.
